VET Delivered to Secondary Students Guide 2023

Real skills. Real experience. Real outcomes. thegordon.edu.au TAFE 3044

What is VET Delivered to Secondary Students?

VET Delivered to Secondary Students (VETDSS) allows you to combine your senior secondary studies with a Vocational Education and Training (VET) program.

The Gordon has delivered VETDSS programs for over 20 years, with more than 1,800 students from over 80 secondary colleges participating each year.

How does it work?

You can undertake a VETDSS program alongside your VCE.

VETDSS programs are run over one or two years, which you complete during Years 10, 11 and/or 12 depending on when you start. Programs are delivered from February to November. Some programs may require attendance during school holiday periods, particularly for the Structured Workplace Learning (SWL) component.

What are the benefits?

- VETDSS is a unique opportunity for you to experience a career you may be considering. As a result, you can:
- Contribute to the eligibility requirements for VCE.
- Contribute to your ATAR score.
- Develop 'job ready' skills and experience in your chosen industry.
- Receive a nationally accredited qualification or units towards a qualification.
- Achieve a pathway and credits towards higher level courses.
- Gain credit into apprenticeships and possibly reduce the duration of an apprenticeship.

Guaranteed Pathways

The Gordon offers guaranteed places from 12 VETDSS programs into higher level pathway courses at The Gordon.
