

# Managed Bring Your Own Device (BYOD)

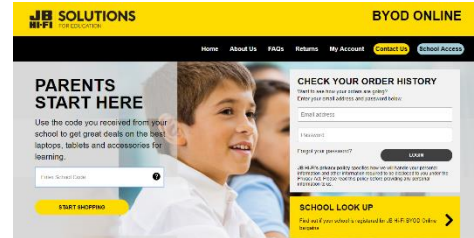

## What is managed BYOD

Managed BYOD is where the school chooses a supplier and a number of specific supported models for you to purchase. We have negotiated prices and selected models to suit our curriculum.

NOTE: All computers come with 3yr Warranty on all hardware (including battery)

## What is included with the Managed BYOD

Belmont High School, together with JB HI-FI will configure your computer with our Standard Operating Environment (Windows 10 + 11, Office and Curriculum Software). Purchasing a new device includes a 3-year On Site warranty on the device and battery, and tech support.

## What devices are available to purchase?

### 11" Laptop: LENOVO THINKPAD 500w

With its extra-durable design, this 11.6-inch convertible Windows-based laptop is engineered to withstand the rigours of the classroom. A flexible 360-degree hinge and 10-point multitouch display accommodates just about any work style and turns this device into a tablet when needed. Lightweight and portable starting at 1.33 kg, the Lenovo 500w also boasts battery life that lasts all day—and more. It's perfect for on-the-go learning in school and at home.

*(Touch Screen option, Active Pen, 256GB SSD, 8GB RAM, Intel Pentium N6000)*

**\$954.52**

### 13" Laptop: LENOVO THINKPAD L13 YOGA 3<sup>rd</sup> Gen

The third generation of the 13.3-inch ThinkPad L13 2-in-1 laptop delivers powerful 12th Gen Intel performance and graphics. With a 360-degree hinge, this device accommodates your school learning style—whether working remotely, on the go, or at home. Featuring an integrated, rechargeable pen, this device lets you take notes or sketch when you prefer not to type. All-day battery life on the ThinkPad L13 Yoga Gen 3 2-in-1 laptop keeps you unplugged.

*(Touch Screen option, Active Pen, 256GB SSD, 8GB RAM, Intel Core m3-8100Y)*

**\$1293.84**

## Purchasing

The devices are available for purchase via the JB HI-FI BYOD education portal <http://www.jbeducation.com.au/byod>. (A link is also available from the Belmont High School website under Curriculum > IT & BYOD.) Enter our school code: **BELMONT2023** and follow the steps.

Any orders placed before **1<sup>st</sup> January 2023** will be delivered to Belmont High School ready for use in the first week of first term next year. Any orders placed after this date may result in students not having their device for the start of the school year. JB HiFi & Belmont High School will advise you when your notebooks are ready to be collected.

Please contact Belmont High School for further information 5243 5355.
