To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Belmont High School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, time and places.

Before and after school

Belmont High School's grounds are supervised by school staff from 8:25 am until 4:05pm on Monday and 8:25am until 3:40pm Tuesday to Friday. Outside of these hours, school staff will not be available to supervise students. These hours will be included in the school newsletter each term.

Before school there are two staff members on duty from 8:25am – 8:50am.

- Area along Rotherham Street
- Area around all of the Learning Centres.

After School there are 3 staff on duty:

- short duty near the Digby Avenue entrance
- long duty at the bus stop on Rotherham Street
- short yard duty at the PAC carpark

Short duty (12 minutes) from 3:40pm – 3:52pm on Monday, and 3:15pm - 3:27pm Tuesday to Friday. Long bus duty (25 minutes) is from 3:40pm – 4:05pm on Monday and 3:15pm – 3:40pm Tuesday to Friday.

Students who attend pre-arranged supervised activities at school outside of these hours are required to report to their supervising staff member to be marked present.

If required there may be additional bus duties added to the After School roster by the Principal Class.

Yard Duty Responsibilities

School staff **must wear a provided safety/ hi-vis vest** whilst on yard duty. Safety/hi-vis vests will be stored in each staff room.

School staff **must have a phone with them on duty**, those staff who do not have a mobile phone must collect one from the office prior to the commencement of their duty and return the phone as soon as possible after their supervision.

Staff who are rostered for yard duty **must remain in the designated area until they are replaced** by a relieving teacher.

During yard duty, supervising school staff must:

- methodically move around the designated zone
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Wellbeing & Engagement Policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses on compass for behavioural incidents/injuries and eduSafe Plus for environmental or staff issues

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift. Hand over locations are indicated on the yard duty map.

If the situation arises and supervising teacher is unable to conduct yard duty at the designated time, they should contact the Daily Organiser or in their absence one of the Principal Class Officers with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising teacher needs to leave yard duty during the allocated time, they should contact the Principal Class Officer but should not leave the designated area until the relieving teacher has arrived in the designated area.

If a next duty teacher does not arrive for yard duty, the teacher currently on duty must be aware who is going to replace them for the second half of duty

1st Contact the administration office and ask to be put through to the staffroom of the teacher absent

2nd Contact the Daily Organiser or Principal Class Officer for assistance

and not leave the designated area until a relieving teacher has arrived.

Should students require assistance during recess or lunchtime, they are encouraged to speak to the supervising yard duty teacher.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class. We encourage students to stay in the classroom at all times. If a student needs to leave the classroom, they must be provided with a note from the teacher and take this with them.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact Administration to be relieved, or a teacher nearby to supervise their class. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal Class Officers are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved.

Supervision of students using digital devices

Belmont High School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Workplace learning programs

When students are participating in workplace learning programs, such as work experience, school-based apprenticeships and traineeships, and structured workplace learning, the safety and welfare of the student is paramount. Organising staff are required to follow all applicable Department of Education and Training policies and guidelines in relation to off-site learning, including policy and guidelines on the safety and wellbeing of students. Refer to:

- [School Based Apprenticeships and Traineeships](#)

Independent Study

Year 11 and 12 students are required to attend designated study areas including the library and VCE study areas. Students must arrive on time each day to form assembly and remain onsite at all times. Any student studying VCE are permitted to leave the school each Wednesday after period 4. Year 12 students are permitted to leave at the end of period 4 each second Friday (Week B). Parents are notified of these arrangements. Students that remain at school for VET or study periods are required to document their attendance at school during these times. (If pandemic restrictions are in place, these arrangements could be amended and this will be communicated throughout our school community).

VET Bus Arrangements

In line with the Geelong Region VET program, students undertaking an external VET course are supervised on to VET buses that travel to a Central interchange at Matthew Flinders College. A supervising teacher from Matthew Flinders oversees the students swap buses that go to the VET location. Students and parents are informed of this process. Students are provided with emergency contact details and understand to contact BHS VET Coordinator (on 5253 4355) if they require support. They are also made aware to use the Matthew Flinders office for any issues. Students sign an agreement form with respect to responsible behaviour and this is monitored as needed. Where required, other transport arrangements are made for students who do not display the correct behaviors, to ensure students are safe when travelling on the buses. An attendance roll is taken onsite for the VET courses and communicated back to schools and families.

Supervision of students in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Included in staff induction processes
- Discussed at staff briefings or meetings, as required
- Included as annual reference in school newsletter
- Made available in hard copy from school administration upon request

Information for parents and students on supervision before and after school is available on our school website and parent reminders are sent annually in our school newsletter.
